1.	3- Feb 2019	Inaugural of Career Hub under RUSA	A Career Hub inaugurated at Patna Women's College under RUSA on 3rd of February by Prime Minister Narendra Modi including 14 autonomous colleges of other state through video conferencing. Its aim is to promote entrepreneurship and innovation in higher education institutions. PM directly linked to one lakh youth across the country through video conferencing from Sher-e-Kashmir International Convention Center in Srinagar. The witnesses of this historic moment also became students of the Patna Women's College, who directly heard the Prime Minister's address. As soon as the Patna Women's College was named in the list of beneficiaries of autonomous colleges selected under RUSA-2 of the Higher Education Department, conducted under the Ministry of Human Resource Development,	Additional Chief secretary RK Mahajan , State Project Director of RUSA Satish Chandr Jha . Vice Chancellor of Patna University Prof. Dr. Ras Bihari Prasad Singh ,	Seeing	1

the girls welcomed it with thundering applause. Under RUSA-2, Patna Women's College is the first college in Bihar, which has been given an amount of Rs. 5 crore in 15 highly specialized colleges of the country. Career Hub will give students ample opportunities in the entrepreneurship. It will also pave the way for research and incubation canters in the institution.
